Dear Calaveras RCD,

As you may know, the 2023 California Adaptation Forum will be heading to Pomona, CA from July 31 - August 2nd, 2023. We are in the last two weeks of registration, and think that Calaveras RCD's participation would bring some much-needed insight to the breakout discussions.

If interested in attending this year's CAF, you and others can still register for the forum here: [bit.ly/CAFRegister](https://bit.ly/CAFRegister)

We are also always open to additional promo-partners for those who cannot attend CAF but still want to support the forum! In exchange for posting on your social media or including us in a newsletter blurb, we put your logo on our promo-partner webpage. If interested, please fill out this promo-partner form: <https://bit.ly/3vAuj5X>.

Thank you in advance for your consideration. If you have any questions, please do not hesitate to reach out!

Best,  
Tiela Combs
